

## Holiday Inn Express & Suites Grand Opening

The former Quality Inn & Suites on Kearney Lake Road is now fully renovated Holiday Inn Express & Suites, and last month, it was time to celebrate! Owners and staff hosted a VIP reception, which included speeches and ribbon cutting, tasty food, drink, music and more. The Holiday Inn Express & Suites features opened greeting desk area with comfortable seating, relaxing music and happens to be in close proximity to just about everything. Check them out in person at 980 Parkland Drive or online at [www.ihg.com/holidayinnexpress](http://www.ihg.com/holidayinnexpress)
